Peg,

This email confirms the \$21,401 price and the April 05 delivery date.

Thanks,

Thomas

Thomas -

This message is just a confirmation of our discussion yesterday regarding the unit prices for the 10 Helmets that I am adding on to our current FMS Helmet contract (DAAE20-01-C-0057). It appears that I was using a spreadsheet you had provided before the FPRA had concluded showing the unit price of \$21,616.00. You later sent me a revised spreadsheet which incorporated the negotiated rates which reduced the unit price to \$21,401.00. It was my error, I just should have looked a bit further. Request your concurrence that the correct unit price for the add-on quantity of 10 each Medium IHADSS Helmets for UAE is \$21,401.00, and that delivery of all 10 should be April 2005.

Thanks -

Peg
